

Accessibility Guide for Coastguards

At Coastguards, we strive to provide a welcoming and comfortable stay for all our guests. This guide offers detailed information on the accessibility features of our property to help you plan your visit.

First Floor Accessibility

The first floor of the property is accessible via level access, making it suitable for guests with limited mobility. Please note the following features:

The entrance to the first floor has a raised door threshold that may require additional support for those using mobility aids.

The first floor includes:

Two Bedrooms: Both with ample space, though not specifically adapted for wheelchair use.

Lounge: A comfortable area for relaxation, with easy access from the entrance.

Family Bathroom: Standard amenities without specific adaptations for wheelchairs.

Ground Floor Accessibility

The ground floor is accessible via stairs from the first floor or the garden and includes:

Steps Down to the Garden and Kitchen Door: Access involves steps which may not be suitable for guests with limited mobility or wheelchair users.

Master Bedroom: Features an ensuite shower but is not wheelchair friendly.

WC/Bunk Room: Offers additional sleeping and bathroom facilities, accessed from the ground floor.

Additional Information

We understand that each guest's needs are unique. If you have specific questions or require further information about accessibility, please contact us prior to booking, and we'll do our best to assist you.

We look forward to welcoming you to Coastguards and ensuring a pleasant and comfortable stay.
